REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The closest piece of submitted art is pg. 3 of Bowler's Journal that makes reference to Nuline Gauntlet that "has a unique feel and smell". However, nothing in the prior art suggests that the smell is due to fragrance added to the resin in the bowling ball. The case has been allowed for the evidence of commercial success found by the Board on 6/16/09.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
